

Wilderness Trail *TAKE A HIKE*

TAKE A HIKE | WINSTON-SALEM

TAKE A HIKE 2011 will be held on April 2nd in Kernersville, NC. The event will include a multi-mile hike around Salem Lake, with all proceeds helping Wilderness Trail to reach more youth and families each year.

What exactly is TAKE A HIKE?

- **TAKE A HIKE is a two-part fundraiser that includes a pre-event fundraising push by teams and individuals, and an actual hike on TAKE A HIKE day.**
- Leading up to the event, hiking teams will raise money in groups called teams. Each team member will raise money individually to contribute to the team total. There are incentives for both individuals and teams. On the day of *TAKE A HIKE*, teams will turn in their money, enjoy the festivities and take a hike!
- *TAKE A HIKE* day will include an opening ceremony, a multi-mile hike, live music, food and prizes.
- Even if hikers are unable to attend the day-of festivities, they are still encouraged to participate in the pre-hike fundraising portion.

Why Does Wilderness Trail Fundraise with TAKE A HIKE?

- While Wilderness Trail fundraises year-round, *TAKE A HIKE* is a fun and unique way for our ministry family to participate with us in raising funds, while sharing the purpose of our ministry with friends, family and first-timers alike.
- Since 2006 Summer Event attendance has increased 60% - while this exponential growth is wonderfully exciting, it means that WT must expand quickly in order to avoid turning away groups.
- Over 30 churches from the Southeast make up the core of WT hikers during the year. This event allows hikers from all over our map to join in the fundraising effort together to help fund this growth while avoiding increases in registration fees.
